Mobile Solar Trailer – Remote Communications, Ruggedized Surveillance Platform

PART NUMBER

NWT-MCT1800-24V-800A

PRODUCT DESCRIPTION

Our Mobile Communications Trailer or Security Trailer platform is a rugged, self contained system designed to provide reliable connectivity in remote and challenging environments. Ideal for applications such as remote mobile communications networks and security monitoring, this trailer ensures uninterrupted operations where traditional infrastructure is unavailable.

FEATURES AND APPLICATIONS

Trailer Type	Single-Axle
Enclosure	IP54 Weather-Resistant Equipment Compartment
Rapid Deployment	Designed for quick setup and ease of relocation, allowing for flexible responses to dynamic operational needs
Voltage	24VDC
Battery Capacity	800aH AGM
Solar Generation	1800w

PRODUCT OVERVIEW

Remote Communications	Establishes reliable network access in isolated locations, supporting operations such as mining, construction, and emergency response.
Security Monitoring	Provides a mobile platform for surveillance equipment, enhancing security in areas lacking permanent infrastructure.
Event Coverage	Delivers temporary communication solutions for events, ensuring seamless connectivity for organizers and attendees.
